DEADLINES & KEY DATES

Mar. 14—EPOs (Education & Public Outreach) solicited via email to PIs
$50K/yr for 5 yr=>$8330/yr/program
≤3 page proposals. May use some for speakers bureau talks, Space Place, UitP, ?

Apr. 6—Revise observing Plans delivered to SSC
Resolve overlaps w/ GTOs & other LSTs
Descriptions of all targets or fields to be observed
Deliver via email to SIRTF HelpDesk

May 2—Revised Proposal/Cost Plan due (Multi-year)
Stage 1 budget is very constrained
18% of LS funds available for 38% of program duration
41% less obs. Time than requested
32% less funding than requested
Due to reduced budget, formulate a revised plan consistent with available resources & proposal goals.
Use areas of overlap & areas of common interest w/ ITs and other LSTs to minimize work and costs.
Submit either as a revised proposal or an addendum
Cost Plan: Detailed 6 mo budget for all partners for 1 July-31 Dec. Guidelines will be provided by SSC.
Estimate budgets for subsequent calendar years
CY2002-10 mo stage 1 + 2 mo stage 2
CY2003-12 mo stage 2; CY2004 & 05

WE HAVE TO IDENTIFY THE IMPACT OF THE ABOVE FUNDING PROFILE ASAP. HOW WILL IT ALTER OUR PROGRAM?

May 9—Extended Abstract is Due

Will be published on-line for community consumption
Include: Science Goals
Data Sets
